ALUMNI SPOTLIGHT

**James Matthew Carroll, MS, OTG, '13**

*Occupational Therapist at Capital Living Nursing and Rehabilitation Centre*

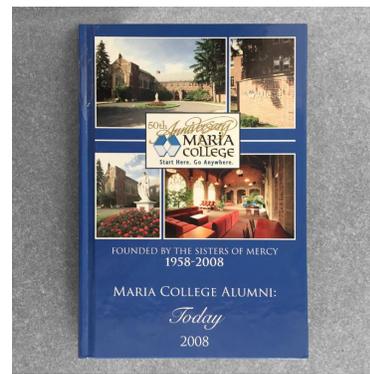

**What led you to Maria College?**

I found out about Maria College from some co-workers who had gotten their degrees from Maria. I was immediately attracted to the program once I got to meet some of the teachers and students during my interview.

**What do you remember most vividly about your time at Maria College?**

The most vivid memory I have of my time at Maria College is being in class with Professors Scott Homer and Lisa Deserre. They both always did such a great job presenting information in interesting and new ways, and always made sure we had a solid understanding of the material before moving on to a new subject.
