

Carole Tario Montepare '71, Vice President, Sales and Account Management MVP Health Care

1. What led you to Maria College?

When I graduated from Catholic Central High School, Troy, NY, my mother wanted me to go to work but I wanted to get a college education. I was aware of Maria and it fit my needs. It also helped that I had two very good friends who enrolled with me (who have remained lifelong friends).

2. What do you remember most vividly about your time at Maria?

I remember it being intimate and friendly, like a family and at the time, it was women only. In fact, I thought I'd like to attend a coed school so I left Maria after my first year to attend Hudson Valley Community College but three weeks later I was back at Maria. I missed my friends and small class sizes. I remember walking in the door on my first day back and one of the Sisters saw me and said "you want to come back here, don't you?" That's how friendly and intimate Maria was - the teachers and administrators knew you.
