

## JANEEN JAVOROSKI, '17

### What led you to Maria College?

I graduated from Maria College in 2002 with my Associate Degree in Nursing. I wanted to further my education and career by obtaining a Bachelor of Science Degree in Nursing and was excited that my alma mater had a Bachelor of Science (BS) in Nursing completion program that met the needs of a working nurse and mother.

### What do you remember most vividly about your time at Maria College?

My memories of Maria College are how supported I felt by the professors and how they guided me in expanding my view of nursing and the critical role that we have in patient care and in the future of the nursing profession.
