

2015

Graduate Placement

CAREER SERVICES

Maria College's Office of Career Services provides career advisement to students across disciplines and assists students with finding gainful employment post-graduation. In addition to career advisement, Career Services hosts career-development workshops on various topics, including, but not limited to Resume and Cover Letter Development, Career Fair Preparation, Successful Networking Tips, Navigating the Job Search, and Interview Preparation. Furthermore, students are encouraged regularly to utilize the College's subscribed employment database, College Central Network, regularly which is routinely updated with opportunities from employers.

PLACEMENT

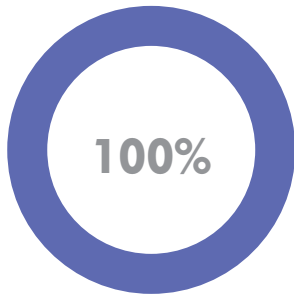

FOR THE

CLASS OF 2015

82%

Career Services tracks graduate placement rates one year post-graduation. A graduate is considered 'placed' if he or she finds employment in the industry and/or field that he or she graduated from, or enrolls in a program of higher education.

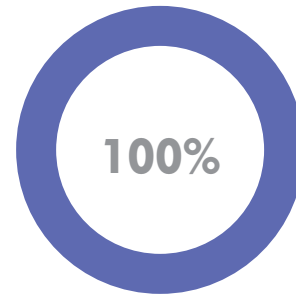

Based on graduate placement survey responses, the placement rate for Maria College's Class of 2015, six months post-graduation, is 82.18%. The job placement (employment) rate is 52.57%.
